Exclusive Use

To maximize the facility space available for retreats, we reserve the right to shift groups to the most size-appropriate facility and we hold a minimum occupancy number for each building. If, however, a group would like to reserve a specific space regardless of size we require payment for the minimum occupancy (i.e. – a group of 9 or a group of 20 who want the lodge exclusively for two nights will be required to pay the building minimum of 24 times the rate.) If the group has more than this minimum, they will pay per the normal rate scale.

Christ center.....	Pay for 25 guest minimum
Christ Center & Beisler Center.....	Pay for 31 guest minimum
Christ Center & Lodge.....	Pay for 53 guest minimum
Lodge.....	Pay for 24 people minimum
Lodge & Beisler Center.....	Pay for 45 guest minimum
Lodge, Beisler Center & Log Cabin.....	Pay for 65 guest minimum

Important:

Refunds will not be given for guests who are absent from meals or leave earlier than requested meals.

If a group cancels their retreat within thirty days of booked date the full retreat cost is still due.
