Cross Roads Camp and Retreat Center is a welcoming and inclusive community providing life changing and sacred adventures for renewal, growth, and joy.

Welcome to Cross Roads!

We are thrilled that your family has chosen Cross Roads as a summer experience for your child. We want to make this summer a fantastic experience for everyone ... parents, campers, and counselors alike. We understand that it is an act of faith that you entrust your child to Cross Road's care during their time at camp. We aim to fulfill that trust with a little pre-planning, a lot of attention to detail, and open communication.

The first step is to help make the registration process as streamlined as possible. Our registration system is aimed at going green and getting much of the needed paperwork completed online. The final step will be making sure that your child's physician signs the Health History form provided thru the registration process. This information packet should give you all the details you need to know about camp!

- **Cross Roads Policies & Information** -- pages 2-4
- **Bunk 1 Parents Letter** -- page 5
- **Packing List** -- page 6
- **Directions** -- page 7

Once your registration paperwork is complete the next step is to get ready for an amazing week at Camp. All of us at Cross Roads are very excited that you'll be joining us for this life-changing week of camp, full of fun, friendship and God's Love. To help make this week special, we ask you to bring a spirit of openness to all that we offer here at camp. Come willing to share, learn, play, and experience an intentional Christian community.

CHECK IN: Registration for your camp week is from **3:00 – 5:00pm** on the **Sunday** of your week.

CHECK OUT: On the following **Saturday**, families are invited to join us for a closing worship service at **9:30am with the departure time for all campers at 10:30am**. Please arrive at 9 am to get parked and settled before the service begins.

(Dates and times vary for programs that are longer than one week. See information on that specific camp program.**

If you have any other questions, please call or e-mail us at the above-mentioned number and e-mail address. Until then, we are looking forward to seeing you this summer!

CROSS ROADS SUMMER CAMP POLICIES & INFORMATION

Cross Roads Camp and Retreat Center is a welcoming and inclusive community providing life changing and sacred adventures for renewal, growth, and joy.

We are glad that you will be part of the fun at Cross Roads this summer! The following information should help you prepare for camp. Please take some time to review the information with your child. If you have any questions, please call Cross Roads at (908) 832-7264.

A PLACE AND PROGRAM FOR GROWTH

Cross Roads is an intentional Christian community and camping/retreat facility that is a joint venture of the New Jersey Synod of the E.L.C.A. and the Episcopal Diocese of Newark. The summer camp program at Cross Roads is designed to help campers grow physically, emotionally, and spiritually as they develop new skills, interests, and friendships.

CAMPER BEHAVIOR

We are committed to creating a physically and emotionally safe place for all. To provide this, clear expectations for campers' behavior are discussed with the campers upon arrival at camp. These include respect for others with no negative talk of others allowed. Should a camper exhibit behavior that is inappropriate, the staff have been trained to redirect the camper in a way that emphasizes a more positive and appropriate behavior. Corporal punishment is never used.

If necessary, the Director may discuss a behavior situation with a camper. At times, it is also helpful for us to contact the parents to provide insight into the behavior and possible solutions. While it is our preferred practice that campers remain at camp, in rare cases a parent may be asked to remove a camper from the camp environment at the parent's expense. In this event, no camp refunds will be made.

NOTE: The following situations will result in a camper being sent home immediately: possession and/or use of alcohol or drugs, possession and/or use of cigarettes, possession of weapons, physical harm to themselves or another person, running away from camp, theft, or other behavior determined to be unacceptable.

Communicating with your son/daughter

Please send letters!

Supporting your son/daughter at camp is very important. Encourage other relatives and friends to do the same. Send letters to:

Cross Roads Camp and Retreat Center
29 Pleasant Grove Rd
Port Murray, NJ 07865

MAIL is very important to campers! A letter received within the first two days of camp would be greatly appreciated by your child. This means writing and mailing a letter before your child arrives at camp (or leaving a letter for them with us at Sunday registration). To send a note to your child, simply address the letter to the camper at the camp's address.

PLEASE NOTE Due to food allergies and storing food, we will no longer be allowing food in packages. If you do send food in a package, we will hold onto it until the week is over.

EMAIL

Another way for you to contact your camper is by sending email through Bunk1.com. Head to the "Summer" section of our web page and you will find a link to get started. We distribute email every day, so if the mail system is too slow for you, this is a perfect option. A new option through Bunk 1 is direct responding, when you send your camper a Bunk note you can state that you would like them to reply. When they get the Bunk note they will also get a blank sheet that they fill out and you will get their handwritten reply in your email.

TRANSPORTATION

Transportation to and from camp is the responsibility of the camper's parents. If you are caught in traffic and will be late, please call and leave a message.

CALLING

To allow campers to immerse themselves fully in camp life, campers are not permitted to make or receive phone calls from camp - thus, **cell phones are prohibited**. If you need to contact your child in an emergency during the camp week, you may call, or email the camp office directly. If there is an urgent situation involving a camper, the camp administration will contact you directly.

VISITING

For similar reasons, we discourage visits during the camp session. However, in unusual circumstances, arrangements can be made by contacting the Director at least 24 hours in advance. You must check in with the camp office before going elsewhere on camp grounds.

HEALTH AND SAFETY

The enclosed **health form** must be completed and brought with you to Sunday's registration. No camper will be admitted to camp without this form. Our camp Health Supervisor will review all forms and see each camper on arrival day. All campers must have a health examination within 12 months of attending camp. **All pages of the health form must be completed and signed by a physician**. Parents are notified immediately if a health problem arises while their child is at camp.

MEDICATIONS

ALL MEDICATIONS, including over-the-counter medications, such as Tylenol, first aid supplies, and poison ivy lotion must be given to the Health Supervisor upon arrival at camp. All medications must be in their original containers, bearing the pharmacy label, which shows the prescription number, date filled, physician's name, name of medication, directions for use, and patient's name. All medications will be administered under the supervision of the Health Supervisor. Information about medications must be on the health form.

FOOD AT CAMP

If your child has any dietary restrictions, please note them on the health form. While we prepare nutritious and delicious food, camp food never seems exactly like food at home. We ask you to encourage your child to try new food.

HOMESICKNESS

Coming to camp may cause a brief case of homesickness. We regard homesickness as a normal, healthy occurrence in a child. The staff is trained to be aware of each camper's mood and emotional adjustment. If a child is homesick, they talk with the child and try to help the child understand his/her feelings. Efforts are made to involve the camper in the camp activities so he/she will be busy, have fun, and feel secure with counselors, new friends, and the outdoors.

Avoid telling your child to call home anytime. This often puts added pressure on the child that they should be calling home. If through conversation with the parent and the Director it is decided that the best plan for the child is to call home, we will arrange the time for the call.

Because of this, you may receive a "homesick letter." While campers are experiencing homesickness, they usually write home about their feelings. What to do? **DO NOT PANIC** or feel guilty about having sent your child to camp. If you have not heard from camp, your child has probably already adjusted. We encourage you to write a supportive letter. If homesickness continues, the Director will call the parents of any children who are having problems adjusting.

LOST AND FOUND

Please mark **ALL** of your child's belonging. If you discover something they have left behind, please contact the camp as soon as possible. When you pick up your child from camp please see our Lost and Found area to claim any belongings. All lost and found will be kept at camp up to a week after the session ends.

CAMP STORE

Camp Store is open every day for campers to purchase snacks, drinks and merchandise. Additionally, it will be open on Saturday morning, during camper check out. When you register on Sunday, we will collect your camper's money (we recommend \$20-\$30 for the week) and will charge their purchases against their camp store credit.
