Here We Stand:

Putting Our Faith into Action

A Young Adult Retreat

Date: January 5 - 7, 2018
Cost: $65

What is social justice advocacy? How can I effectively speak up about issues affecting my community? Will it make a difference? Is there a role for people of faith in public policy conversations? During this year's young adult retreat, we will learn more about injustices affecting our neighbors and gain tools from policy experts for advocating on behalf of all God's people. Join us for a weekend of learning, praying, laughing, and community-building with other young adults (ages 18-30ish). All are welcome and scholarships are available.
